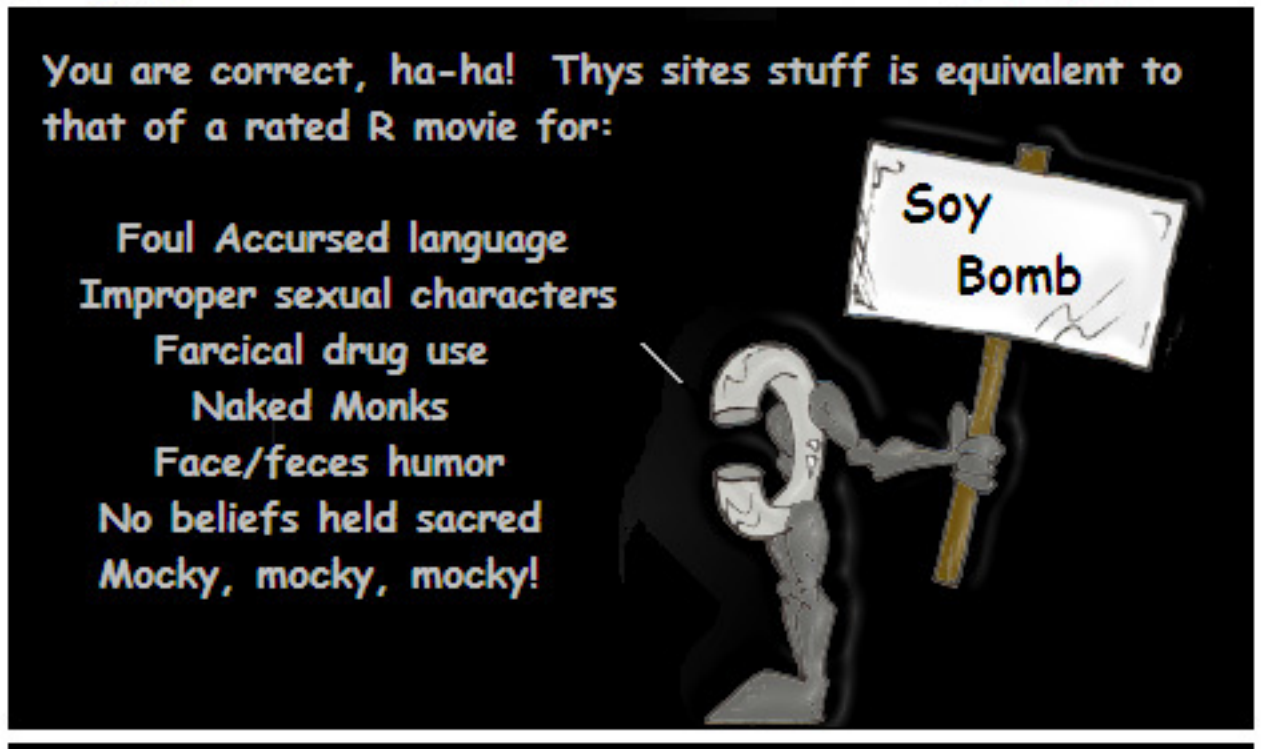
Welcome to The Greatest Comic.
A rare sight in the onlyne comic industry:
Fresh, hand-drawn,
non nerd-centric and unanime-ish!
Indeed, but although it is a comic, the content that lies within is not suitable for younger audiences or people with push-pops up their asses.



You are correct, ha-ha! Thys sites stuff is equivalent to that of a rated R movie for:
Foul Accursed language
Improper sexual characters
Farcical drug use
Naked Monks
Face/feces humor
No beliefs held sacred
Mocky, mocky, mocky!
Soy Bomb

Plus, I'm not wearing any pants and have no genitals!
